

## What They are Saying about our Catering...

"I wanted to thank you for the exceptional job your catering department did at our company picnic. Even some of our associates who weren't fans of Mexican food enjoyed the offerings"

Gary Merkel: "We have company sponsored lunches. I have only received positive comments.

Food arrived on time, set-up & served very professionally. Thanks."

"My wife and I have eaten there often. Both my son and daughter have eaten here and enjoyed it. One of my son's favorite Mexican Restaurants. The tortilla soup is a favorite of my wife. Very nice patio for summer eating. Wait staff is very knowledgeable, friendly and courteous. We eat here often."
